CHALLENGE 5

CHALLENGE 5	
Starting date:	Estimated duration: 3 hours
Finishing date:	Real duration:
It is the day of the competition, and each student must set up a stand and use their logo and everything they think is necessary to sell their idea and their business. The jury, made up of several teachers, will go from stand to stand listening to the idea. and how they have set up the business, and after visiting each stand they will rate the business idea that has been sold to them, rewarding the three best scores.
